Winner will be selected and announced on October 15, 2012.

Good luck!

CONTRIBUTORS

DAN MONICK graduated from Hampshire College where getting kicked out of a writing class and placed into a photography class changed his fate. After school he moved to LA and pursued photography full time. His first book (published by Gingko Press) is entitled *Seven Years with Atmosphere and Rhymesayers*. Monick's many inspirations include Prince, Nan Goldin, Phillip Lorcia De Corcia, and Joan Jett. He's lost without a daily espresso as well as lemon poppy seed scones and Clifton's Cafeteria in downtown LA. dmonick.com

MAIA HARMS was born and raised in the hard streets of Flint, MI, and immersed herself in the punk, skate, and snowboarding scenes. She found her passion in photography, documenting shows, skating, and snowboarding. She dreams of shooting an ad campaign strictly in film and Polaroid. She's a coffee addict, a fan of Instagram (missharms), comic books, and video games. Harms splits her time between NY and LA, and has shot for *SPIN*, *Angeleno*, *Refinery29*, and *Juicy Couture* to name a few. maiaharms.com

KAREEM BLACK is a New York-based portrait shooter and director that was born in Philadelphia. After graduating from SVA, Black began to shoot almost immediately for publications like *The Fader* and *Vibe*. He has won numerous awards for his work and been featured as one of the PDN 30. Black keeps occupied with a variety of personal projects including a series of portraits documenting some of the East Village's more interesting characters. kareemblack.com

PETER DAWSON pursued photography while studying biology and organic chemistry at Seattle Pacific University—it's an experiment which has yet to end. Originally from Washington state, he later moved to LA to study at the Brooks Institute of Photography. He's shot Audis, asses (donkeys), and Anthony Kiedis. Dawson continues to make his home in LA where in his free time you'll find him trail running Griffith Park, snowboarding, or following his interests in aviation, architecture, and the occasional road trip. peterdawson.net

GRAHAM DUNN is based in Los Angeles, where he has a plethora of broken cameras, a diabolical pool, a lovely wife, and a soon-to-be-born son. He has shot for *Cake*, *Foam* and *American Apparel*. In his spare time he enjoys catfish noodling, building Shaker furniture, wearing boat shoes on and off of boats, and reading brochures. Dunn's inspired by *Prayer of the Rollerboys*, childhood adventures in the backyard, and that weird thing that happens when you eat too much Fun Dip. grahamdunnphoto.com

What do Island Def Jam, *Nike*, *Complex*, *Dime*, *ESPN the Magazine*, Downtown Records, Everlast, Fools Gold Records, *Nature*, *YRB*, *Sprint*, *People en Espanol*, *The Source*, *Time Out New York*, Universal Music Group, *Village Voice*, *WWE Magazine*, and *INKED* have in common? They've hired **CHAD GRIFFITH**. This New York based photographer takes interesting people—such as John Slattery, Travie McCoy, and Derrick Rose—and makes them more interesting. This time he does the same to an Inked Girl. chadgriffith.com

Inked SHOP

EMBRACE
THE LIFESTYLE

WORLD WAR T

What's worse than a zombie apocalypse? A zombie apocalypse where the undead are the ones doing the shooting. This zombie chick looks like she is locked and loaded on Kill It Clothing's Guns Blazing Zombie T-shirt (\$21.95, inkedshop.com), now available in the Inked Shop.

TIKI TIME

Steadfast Brand and artist Jime Litwalk capture the essence of traditional stone-carved masks with this new design (\$24.95, inkedshop.com).

BASQUE IN THE BEAUTY

Tawapa has been hand-crafting beautiful jewelry since 1996. These Basque earrings (\$136, inkedshop.com) are one of many unique designs available now in the Inked Shop.

BIRD WATCHING

Artist Carissa Rose decided to rustle some feathers with her new piece titled *Promises* (\$29.95, inkedshop.com). Now this is peacocking.

WE'RE LOVIN' IT

Never one to disappoint, artist Ron English has joined forces with Retro-A-Go-Go to produce the Ron English Supersized Doll T-shirt (\$24.99, inkedshop.com), which shows what Ronald would look like if he ate off the Dollar Menu every day.
